Since 1984 Mecotra has an agreement with Ramsey Engineering as its Sole Agent in Indonesia for product such as Belt Scale, Sampling systems and Tilt Switch and since then Mecotra have supplied more than 600 belt scales and 70 sampling systems trough out Indonesia. On 1996, Pennsylvania Crusher Corporation (PCC) appointed Mecotra as their sole agent for Indonesia, and followed by Gundlach Crusher Corp on 2003. By the year 2010 Sepro Mineral System from Canada also appointing Mecotra as their Sole agent and later on 2011 Thermo Fisher Scientific which have bought Ramsey Engineering has appointed Mecotra to become their sole agent for On-line Analyzer product line.

Vission Statement :

Making mining industry in Indonesia the most efficient and the most effective in the world.

Mission Statement :

Provide state of the art bulk material handling instrument to Indonesia.

Product Line:

Ramsey Belt Scales (Series 14, 17, 20 and IDEA Scales)

Oretronic III Tramp Metal Detector and Sampling Systems

Coal On-line Analyzer (ECA, CQM and CQM-Flex)

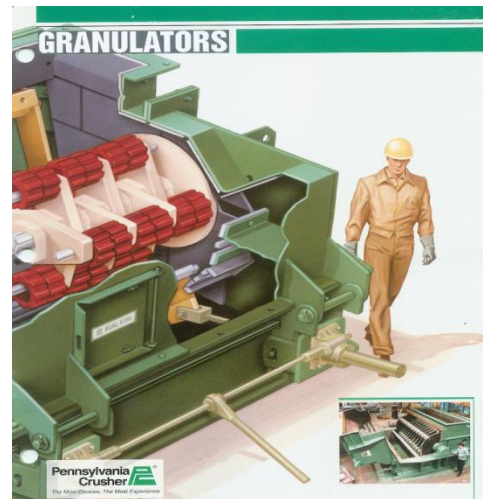

Conveyor Protection Switch (Tilt Switch, Safety Pull Switch, Belt Sway and Limit Switch)

Product Line:

TERRASOURCE GLOBAL[®]

Gundlach Crushers, Pennsylvania Crusher And Jeffrey Rader.

Product Line:

Agglomeration Drums, Concentrators SB, Material Scrubbers and Grinding Mills

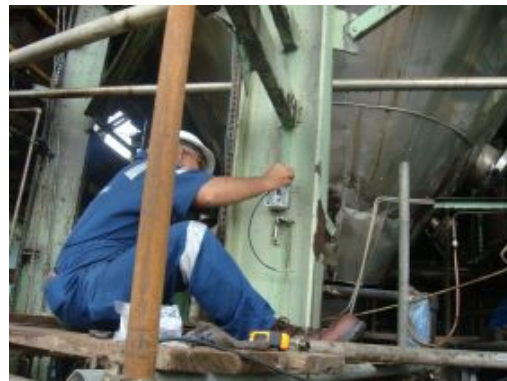

Services

We provide service engineer for service and commissioning for our product range such as:

Metal Detector Calibration

C-Level Calibration

Belt Scale Calibration (Major & Minor)

Commissioning and Installation

For all range of product we do carry every spare-parts on stock or indent, also we do services for machine failure or electrical problems.

Our product reference list per 2013 as follows:
